Dear Esteemed Community Leader,

As a leader in your business and community, you understand the need for integrity and excellence in every aspect of what you practice. With so much negative content being produced on television, internet, and social media it is no longer a wonder why there is so much turmoil in our cities, and around the world. Today's Entertainment is becoming a cesspool of imagery that taints the fabric of moral principles those individuals like you founded their business upon.

Richard Gallion Entertainment (RGE) is excited and honored to share with you all the many great ways we are creating opportunities in the community. RGE's mission is to inspire, hope, and love in a dying world through the Performing Arts with Excellence, Integrity and the Spiritual Direction of God. Richard Gallion Entertainment provides communities everywhere with Broadway style quality stage productions and film that not only entertain the whole family, but endeavor to change the lives of others by displaying real life situations that address community issues. Richard Gallion has created many opportunities by giving adult acting workshops, child mentoring and acting workshops, car washes, teen mentoring programs, volunteering at nursing homes and churches, free productions for audiences of 1000+, and offering jobs to youth and adults alike. Richard has a great respect and regard for creating projects that will shed light on the many issues and conflicts that are happening in the world. His insight and ingenuity has made him a great role model in many communities in Chicago and abroad.

To date, Richard Gallion Entertainment's most notable works and sold out theatrical productions are "When Silence Screams", "Desperate" and "Desperate 2", "Honorably Diss-Charged" and his newest production "I CAN-CERVIVE". Desperate, has now become an original TV Series, expressing the moving story of a young man's struggle to regain his identity when all has been lost. Richard is also one of Chicago's own stand out talents who has been in NBC's **Chicago PD** as Trayzel. He has also guest starred on USA's **Sirens**, as Stryfe. Gallion has had great reviews from his work in **Black Coffee**, **Transformers 4**, and the movie **Halfway** featuring Quinton Aaron. **Black Butterfly** and **The Good Life** have also been great power moves in Richard's career. Gallion's role as Hawk on FOX's **Empire** directed by Lee Daniels, featuring Taraji P. Henson and Terrence Howard has opened up even more massive doors for the humble celebrity. Gallion also received a role on **Fox APB**, and filmed Tiffany Addison's **Nothing Like Thanksgiving**, directed by Mark Harris which was showcased at the Pan African Film Festival in Los Angeles.

RGE vision is to promote stage productions, family friendly films, free workshops, mentoring programs, work opportunities, and to push the pilot for Desperate TV Series in order to bring positive and inspiring content and unity back to the forefront of Entertainment and our communities. Our efforts won't have their maximum effectiveness unless we have the backing of great businesses like you.

That's why we are writing to you!
